

People are more scared than ever increasing Joker Cat attacks are devastating

JC has exposed to the world the true meaning of evil! His campaigns on destroying sofas around the globe are significantly increasing the need for a greater hero! GISS continuously search for a solution, being Mad Dog the trump they expect to be the most promising one!

AVERAGE JC ATTACKS B Y CONTINENT

Note: Data here is not accurate since there are some reports from anonymous citizens that are not taken into account! People are afraid to be the next target!
Antarctica is where the leading resistance and HQ (headquarters) of GISS are located...
There the data is accurate and they already suffered 2 major attacks! Joker Cat is unstoppable!!!
